With ample parking for guests in front or behind the manual gate, and double parking in the elongated automated garage, entertainment is made easier. Your guests are met with an open-plan living area that leads to a covered patio with a built-in braai. The kitchen is at the heart of the home and has an electric oven, gas stove, a rinse basin, and space for a standard double fridge. Your dishes can easily be tucked away in the scullery, equipped with a double sink and two water points. The study room is large enough to fit a bed or a sleeper couch if guests need to stay over. All three bedrooms have built-in cupboards with an en-suite in the main bedroom. The en-suite has a shower, toilet, and twin basins, and the main bathroom is fully equipped with a shower, toilet, bath, and basin. The sliding door in the main bedroom leads to a quint garden with an irrigation system and two 1000-liter Jojo tanks to assist in the hot summer
