Modern, Pet-Friendly 3-Bedroom Freestanding Home To Rent In Pinehurst

On the outskirts of a new development is a house ready to serve and protect, with a manual main gate, trellidoors on all entrances, sturdy burglar bars, and an active alarm system. The kitchen is ready to fire up a hearty meal on its 5-burner gas stove and electric oven, and the scullery is ready to receive the next load of washing with its two water points and double sink - Laundry or dishes, or both, you choose. The built-in braai on the covered patio is eagerly awaiting to stand in for the gas stove, amped to take in the position of bomb-squad with its large backyard ready to outrun any hyperactive child. Down the passage, the enclosed office is waiting to shut the door on any noise that might disturb your work, and the family bathroom with its bath, shower, toilet, and basin will sanitize the heck out of you. The en-suite might be far off, but will provide you with the ultimate privacy with its shower, toilet, and twin basins. Are you ready
